RE: Gjoa Haven Hunters and Trappers Organization’s (HTO) request to use polar bear credits for the 2013/2014 harvest season from the M’Clintock Channel polar bear subpopulation

Dear Mr. Kovic,

Thank you for your letter of 2 May 2014 regarding the Nunavut Wildlife Management Board’s (NWMB) decision related to the use of polar bear credits by the Gjoa Haven HTO.

I hereby accept the NWMB decision to approve the allocation of 3 (three; 3 males only) requested polar bear credits to the Gjoa Haven HTO.

Unfortunately, the 2013/14 harvest season is final; however, we will allocate these three additional male credits to Gjoa Haven to be used during the new 2014/2015 harvest season from the M’Clintock Channel polar bear subpopulation.

I will instruct my staff to implement the change and will initiate the distribution of the additional tags to the Gjoa Haven HTO immediately. If you have any other inquiries please feel free to contact me at your convenience.

Sincerely,

Johnny Mike
Minister
