INUIT QAUJIMAJATUQANGIT RESEARCH FUND APPLICATION FORM

Please remember:

- To review and read the IQRF Funding Guide before completing this application form.

- To complete the application in electronic format in the spaces provided in the application and include appendices if space is insufficient.

Section 1- Contact Information

1.1 Organization and Contact Information

Name of organization or individual:		
	Project Leader	Secondary contact
Contact name		
Position (within organization)		
Address		
Postal Code		
Primary telephone number		
Secondary telephone number		
Fax		
E-mail Address		

1.2 Other project participants
(Identify other participating and/or interested agencies and cooperating persons from those agencies. Include local participants if applicable. Provide attachment if space is insufficient.)

Name	Organization	Role	Number of days of employment	Training (y/n); If yes, indicate type of training provided)

Section 2- Level of Funding Requested

☐　　Single year funding (not exceeding $30,000)　　Amount Requested:_____

☐　　Preliminary study funding (not exceeding $7,500)　　Amount Requested:_____

Section 3- General project information

Research Project Title (Provide a concise one-sentence description of the project)	
Project funded in previous years? (Mark appropriate box)	☐ Yes　　☐ No
If yes, indicate the previous IQRF project number and amount of funding received in preceding order (*e.g. 2018-001 ($24,000); 2018-002 ($24,000).*	
Duration of research project (YYYY-MM-DD)	Start_____ End_____

3.1 Detailed research project information		
3.2 Has the project been reviewed (e.g. by HTO, RWO and/or community)	☐ Yes	☐ No
3.2.1 If yes, indicate when and by whom.		
3.3 Summary (Provide a brief summary of the proposed research, suitable for translation into Inuktitut. This should summarize the proposed methods, reasons for the research and how the results will be used. Should not exceed one or two paragraphs)		

3.4 Background (Provide a statement of the reasons why the work needs to be done. Do not exceed one or two paragraphs.)

3.5 Application of results (What questions are you trying to answer? Describe how the results may be applied to the management of wildlife or their habitat in Nunavut. Provide in one to two paragraphs or point form).

3.6 Study Area (Briefly describe the location(s) of the proposed project in one paragraph, including more than just place names. Use appropriate-scaled maps and GPS coordinates, where possible.)

3.7 Research Design (How will the study be undertaken? Who will be involved? What methods are proposed to find the answers to the problem?)

3.8 Relevance to NWMB Research Priority (Identify the relevance of your research project to the NWMB Research Priorities. Be concise and rank according to relevance, 1 being the highest relevance and 3 being the lowest relevance.)	
Priority	How does the research project address this priority?

3.9 Relevance to Regional Wildlife Priorities (Identify the relevance of your research project to the Regional Wildlife Research Priorities. Be concise and rank according to relevance, 1 being the highest relevance and 3 being the lowest relevance.)	
Priority	How does the research project address this priority?

4.0 Consultation and Reporting: Indicate all affected communities/regions (For each community indicate if community/HTO support has been given and if consultation will be held after research has been completed. Provide evidence when possible).		
Community/HTO (e.g. Iqaluit, Amarok HTO)	Community/HTO support (Y/N)	Consultation after completion of research (Y/N)

5.0 Anticipated outputs (Identify the expected products (reports required by NWMB, community reports, journal papers, etc). Include the NWMB required interim project update and financial report and the final project and financial reports, as outlined in the Policy.)		
Output	Submission/deadline (YYYY-MM-DD)	Recipients
Interim Project Update and Financial Report		NWMB
Final Project and Financial Reports		NWMB

6.0 Budget (Provide a detailed, itemized budget. It is preferred that line items are not identified for specific funding sources.)		
Item	Funds ($)	Funded by NWMB
TOTAL		

6.1 Financial Contributions (Indicate the following: (1) the financial resources that the organization or individual has committed to the project; (2) the financial resources that other persons or agencies have committed or have been requested to commit to the project; (3) the "in-kind" resources that you or others are contributing, including personnel time (as PY's); (4) include the financial resources that you are requesting from the NWMB)	
Contributor	Funds ($)/In-kind (PY)
TOTAL FUNDS	
TOTAL IN-KIND	

7.0 Application disclosure statement.

ON BEHALF OF: (Enter organization or individual)	
I declare: • The information given on this application form and in any other documentation that supports this application is accurate. • Any materially misleading statements or information (whether deliberate or accidental) given at any stage in the application process, could, at the NWMB's discretion, render this application for funding invalid.
